Present

- Youth organizations working on alcohol

- Do we know how to engage young people?

But...

- Are we ***offering*** enough opportunities to young people in:

- Policy

- Research

- Advocacy

- Intervention ?

But...

- Is the current youth involvement in alcohol policy:
 - Effective?
 - Attractive?
 - Enough?

But...

- Are we *including* young people in alcohol related:
 - Policy
 - Research
 - Advocacy
 - Intervention ?

If your answer is **NO** to many of these questions...

...then you should agree
that...

**Innovative solutions
are needed!**

This workshop is all about **you** and **your**
